Audiovisual Resources

- **Ovarian Cancer Interactive Tutorial** at Medlineplus.gov
 - Go to the Medline Plus site at: <http://www.medlineplus.gov>
 - Click on: " Interactive Tutorials "
 - Select from the list

This slide show utilizes illustrations, sound, and animations to provide basic, easy-to-understand explanations of the anatomy, diagnosis and treatment options of ovarian cancer. It is possible to turn on a voice over or print a text version.

The purpose of this information guide is to direct patients and health care professionals to sources of information on cancer and related topics, it does not constitute an endorsement of the information contained in the resources. This list is not meant to be comprehensive, but rather to provide starting points for Information seeking.

All listed materials can be found at the Patient Education Resource Center of the University of Michigan Comprehensive Cancer Center in room B1-361. An online version of this document can be found at:
http://www.cancer.med.umich.edu/support/information_guides.shtml

Web Resources

- **All About Ovarian Cancer**
 - Go to the American Cancer Society site at: <http://www.cancer.org>
