

Heart Catheterization

Including

- Angiogram
- Angiography
- Angioplasty

Last revised: August 2009

The purpose of this guide is to help patients preparing for a heart catheterization with or without angioplasty find sources of information and support. This list is not meant to be comprehensive, but rather to provide starting points for information seeking. The resources may be obtained at the Wellness Resource Center, room 2101 in the Cardiovascular Center.

Brochures, Fact sheets

- American Heart Association.
 - *Your Cardiac Catheterization: Our Guide to Understanding an Important Diagnostic Procedure*
 - *Your Coronary Angioplasty: Our Guide to Percutaneous Transluminal Coronary Angioplasty (PTCA)*

Audiovisual Resources

- **Coronary Angiogram and Angioplasty Interactive tutorial on MedlinePlus.gov**
Access at: <http://www.medlineplus.gov>
Click on the link to Interactive Tutorials and select from the list under the heading: "Surgery and Treatment Procedures"
Slide shows with voice over and graphics explain the angioplasty and what to expect after the procedure.

Web Resources

- American Heart Association
- **The National Heart, Lung, and Blood Institute (NHLBI)** – Sections on Angioplasty, Heart Catheterization and Coronary Angiography.
