The purpose of this guide is to help patients and families waiting for a heart transplant find sources of information and support. This list is not meant to be comprehensive, but rather to provide starting points for information seeking. The resources may be obtained at the Wellness Resource Center, room 2101.

Brochures, Fact sheets

- American Heart Association. *About Heart Transplants: Our guide for transplant patients, their families and donor families.*
- American Society of Transplantation – online patient education brochures
  - *Getting A New Heart*
  - *Who Can Become An Organ Donor?*
