

“Fish for Food Game”

Materials:

Pictures of foods from magazines or from this website.

See “**Food Cards**” section for pictures of foods to color and cut out.

String and small stick or straw for the fishing pole.

Small magnets for the fishing pole ‘hook’.

Tape small magnets or coins to the back of the food pictures.

A shoe box or pan to hold the food pictures.

Directions:

Allow the students to take turns ‘Fishing for Foods’.

Ask the students to identify the food group that each food belongs to.
