

Breakfast

- People who eat breakfast usually do better in school and on the job.
- By planning ahead, you can have food on hand so you don't skip breakfast.
- Try to include foods from at least three food groups for breakfast.
- Choose foods low in fat and sugar for breakfast.
- Any nutritious food is a good breakfast food.
- You can save money by preparing breakfast at home instead of eating at a fast-food restaurant.

Healthy breakfast choices:

- | | |
|--|----------------------------|
| unsweetened cereal with milk | fresh fruit |
| pancakes with fresh fruit | peanut butter sandwich |
| whole-grain toast | low-fat granola and yogurt |
| whole-grain muffins, waffles, pancakes | low-fat luncheon meats |
