

MAN'S IDEA OF A MOVIE HERO
And the women agree! 6 feet
4 inches, John Wayne has
smashed his way to fame in
dozens of knock-down-and-
drag-out — hard-riding . . . glo-
rious motion pictures!

*Smoking
can kill
anyone,
even
heroes..*

**“The roles I play in movies are
far from easy on my voice —
I can’t risk throat irritation.
So I smoke Camels — they’re mild”**

John Wayne
POPULAR, HANDSOME
HOLLYWOOD STAR

*Even tough American icon John Wayne
couldn't beat lung cancer — he had it
TWICE having one lung removed and
eventually died in 1976 from smoking.*
